UK citizen with full right to work in the UK

Profile

Executive briefings and AI enablement leader with nine-plus years designing and delivering programmes for CEOs, boards and government ministers. As Regional Director at YPO, a global organisation of chief executives, I run the executive briefing programme for a region of 1,800 executives and own C-level meetings end to end, from qualification and intake through agenda design and speaker selection to day-of execution. Beyond my job description, I'm YPO's AI subject matter expert, with 1,000+ CEOs trained. PMP certified.

Key results

- **10 to 20 executive briefings a month,** from board meetings to retreats and collaboration sessions, with the executive board meetings I design rated 4.8–4.9/5, the highest in YPO globally
- **$4.5M in revenue** from 300 prospects converted through our recruitment events, with 97% average renewals, leading YPO globally, and just under $70M in regional revenue over my tenure
- **1,000+ CEOs** trained to use AI, in 13 countries and every global region, plus hundreds of colleagues
- **30% fewer questions** to my team after rolling out an AI-built playbook that 100% of chapters use, delivered in three weeks against a three-month plan

Experience

Regional Director, Middle East and North Africa

YPO (Young Presidents' Organization), Dubai, UAE (fully remote) | Jan 2024 – Present

- **Executive briefings, end to end:** own programme strategy, objectives and agenda design for 10 to 20 executive briefings, board meetings and 1:1 executive meetings a month, and facilitate the discussions. The calendar runs to 12 board meetings a year in every chapter, 7 retreat-style regional board meetings (70 attendees), executive collaboration sessions for 250 and 5 global executive training sessions.
- **Intake, SLAs and capacity planning:** one request and intake process with a clear qualification bar and operating SLAs and lead times, so every request gets a decision within a week. I share intake and triage on a rotation across time zones with my team, peer Regional Directors and YPO's US-based global HQ.
- **Allocating senior time:** built an AI dashboard of chapter metrics that sets who attends each board meeting by risk, from the full regional executive board for critical chapters to a single Regional Chair or me. Every meeting ends with an executive summary and support plan.
- **Discovery, agendas and speakers:** lead discovery on each stakeholder's objectives and context, then design a tailored agenda with a narrative arc, discussion topics, speakers and demos. I source, match and prepare 25 to 50 speakers a year, manage their capacity so no one is over-asked, and secure sponsorship and participation from the Executive Chairs and Executive Board.
- **Pipeline influence and strategic accounts:** 300 prospects converted through recruitment events with partners such as GITEX, bringing $4.5M. I report how our meetings and events influence recruitment, renewals and revenue in Salesforce. I negotiated and account-manage American Express, Hunter's, Valeo and Fanatic Sports; American Express drove 1,000+ adoptions.
- **Executive advisory and leadership pipeline:** advisor to the Executive Chairs and Executive Board. I brief board meetings with executive leaders across EMEA and APAC, keep the decision and action log, and coach chapter officers into regional executive roles, with applicants up 600%.
- **One source of truth and one standard:** built the United MENA Playbook with AI, used by 100% of chapters, with questions to my team down 30%. My peer-to-peer session model is now YPO's standard global session, and I roll out standards across time zones with room for regional nuance.
- **AI enablement:** YPO's AI subject matter expert, beyond my job description. I train CEOs, senior leaders and teams on Claude, Microsoft Copilot and ChatGPT Enterprise through workshops, webinars, executive AI briefings and office hours. 100% of chapters have received our AI Workshop, rated 4.8+, and a network of 2 AI Champions and 6 trainers keeps it growing.
- **Programme delivery and benefits realisation:** run AI adoption as a formal programme, with a programme plan, milestones, a risk register and regular status reports to senior stakeholders. My use cases led to enterprise adoption and an AI policy, and I assessed AI risks for it. I run pilots against a baseline and success measures, then make a go/no-go decision, and own the full regional budget and cost control.

- **Day-of orchestration and leadership:** run logistics with venue, AV and facilities partners, and worked with YPO's global security director on emergency procedures for meetings across the Middle East. I lead the MENA management team, and onboard and coach team members, trainers and contractors across locations. Rated Exceeds Expectations.

Regional Forum and Learning Manager

YPO (Young Presidents' Organization), Dubai, UAE (fully remote) | Mar 2022 – Jan 2024

- Conceived, wrote and delivered the MENA peer-to-peer learning programme for CEOs and trained its trainers. Platinum chapters rose from 60% to 100% in one year.
- Partnered with YPO's global Learning department to build the Assistant Learning Officer session. Piloted in MENA, it is now mandatory worldwide.
- Delivered Global Leadership Conference workshops, rated highly valuable by 200+ executive officers. MENA was ranked YPO's Most Highly Engaged region.

Training and Development Manager

Ministry of Education, Dubai, UAE | Aug 2017 – Feb 2022

- Directed national training programmes aligned with the UAE Vision 2021 National Agenda, working with ministerial and senior stakeholders.
- Wrote government policy and led national curriculum frameworks rolled out nationwide, and led recruitment that grew faculty by more than 1,000.

Education and certifications

- **PMP**, Project Management Professional, Project Management Institute (PMI), 2026
- **MSc Education, University of Oxford**, focused on adult learning methodology. Lead researcher, "Sync or Swim", on digital learning and virtual train-the-trainer delivery.
- **AI accreditations, 2026:** AI Fluency: Framework & Foundations and Teaching AI Fluency (Anthropic Academy); AI Foundations and Applied AI Foundations (OpenAI Academy)
- **BA English Language and Teaching**, First Class Honours, Swansea University

Skills

Executive briefings · Agenda design · Facilitation for C-level audiences · Intake and prioritisation · Capacity planning · Operating SLAs · Speaker bench management · Day-of orchestration · Pipeline influence · Programme management (PMP) · Playbooks and process design · Programme metrics and reporting · AI enablement and adoption · AI Champion networks · Train-the-trainer · Working across time zones

Tools

Salesforce · Tableau · Claude, including Projects, agents and Claude Code · MCP connectors · ChatGPT Enterprise · Microsoft Copilot · Workday · Smartsheet · Monday.com · Microsoft 365 · Google Workspace · Canva · GitHub, Vercel and Apps Script · Zoom and Teams · Mentimeter, Slido and Miro

Additional information

Languages: English (native), Welsh (fluent)
International: worked with CEOs and C-suite leaders in London and every YPO region, and facilitated in 13 countries, including the UK, US, Canada, Spain, Cyprus, Turkey, Tunisia, Morocco, Pakistan, the UAE, Singapore, Thailand and Australia
